

IMPORTANT RE: PLAYGROUND RENOVATIONS

Our "Fun Run" fundraiser was a success and has started us on our way to a much-needed renovation of our playgrounds. Our goal is to convert both playgrounds with "rubber mulch" and soft landing pads under the swings. This will create a much safer play area for our children and in the long run be more cost effective than the continual replacement of wood mulch. Grants may be a good source of needed funding as we continue these efforts. We need your help ! We have applied to the Ford Foundation for a grant, but you all may know of others.

This is a big project. We're hoping that your employers or other organizations with which you are affiliated may be helpful. If you are aware of any grant/support opportunities, please contact Sue McGrath, PTA president, or Dr. Falk at our school number – 770-463-5903. If you would like to make a donation to the Playground Project, you can do so in care of the Arbor Springs PTA. We look forward to hearing from you, and THANKS !!
