Keeping Kids Healthy

Parents,
Winter is here and unfortunately cold and flu season is too. Below are some tips pediatricians recommend to help keep your child healthy:

- * Get a yearly flu shot
- * Wash hands with soap and water (especially before eating)
- * Use hand sanitizer when soap and water is not available
- * Cough or sneeze onto a tissue or inside the elbow
- * Drink out of a reusable water bottle, instead of drinking out of a water fountain
- * Bundle up in coats, hats, gloves and scarves when going outside

Happy New Year!
Priscilla Lee,
School Counselor

BOOK FAIR

Feb. 6th-10th

The Book Fair will be open in the school library before and after the PTO Program on Feb. 9th.

TIME: 5:30-6:15

Re-opens from 7:00-7:30

*Mary had a little lamb, she also had the flu.
And when she left her school, the others had it too.
So anytime your child is sick, please keep them
home with you.
Then the children in our school will be healthier too!*
