

What is a School-Parent Compact?

A compact is a commitment between Eastside and Community Stakeholders (parents, students and family members) to share responsibility and enter into a partnership to improve student achievement and the prospects for college and career readiness.

Jointly Developed

This compact was developed with input from representatives of each stakeholder group. It will be available for review and comment throughout the school year, and will be revised annually to reflect current school academic goals.

Revised September 25, 2017

Activities to Build Partnerships

SECOND GRADE
School-Parent Compact
For Achievement
2017-2018

Our Goals for Student Achievement

District goal(s)

-During the 2017-2018 school year, we will increase by 5% the percentage of students scoring proficient and distinguished on the ELA Milestones EOG and EOC (Grades 3-12) assessments.

School goal(s) and focus areas(s):

-to increase student reading levels and Lexile scores through an emphasis on comprehension, fluency, and vocabulary/sight words.
-to integrate all subject within the curriculum through constant review of reading, language and math skills.
-to increase math calculation and fluency through mastery of basic math facts in addition, subtraction, multiplication, and division.
-to increase positive behavioral choices through the implementation of our school-wide positive behavior intervention and supports system.

Teachers, Parents, and Students—Together for Success

Teacher/School Responsibilities:

Eastside Elementary Second Grade teachers will provide engaging lessons to help our students understand and apply the skills they are taught.
-We implement and support a school-wide positive behavior plan to encourage making good choices to be a citizen.
-We conduct week drills in the areas of reading and math: fluency, vocabulary and comprehension.
-We teach, practice, and drill basic addition and subtraction facts to encourage mastery.

Family Responsibilities

We encourage family members to join our staff in supporting students with their academic success the following ways:
-use of student agenda to review nightly homework.
-read with/or listen to your child read 20 minutes each day.
-assist your children with completing homework which refreshes their skills in language arts, phonics, and mathematics.
-use the monthly school newsletter to stay abreast of upcoming events and educational opportunities.

Student Responsibilities

-come to school prepared for class each day, having had a good night's sleep and breakfast.
-actively participate in class.
-follow classroom directions and school rules.
-show respect for others.
-set goals for: reading a number of books/chapters/pages; addition and subtraction fluency; and your Lexile level.
