COWETA COUNTY SCHOOL SYSTEM Procedure for Use of School Facilities

The Coweta County School System recognizes that school facilities are substantial investments and should serve many community needs. These facilities shall be available for community use under conditions prescribed by law and in accordance with the following procedure:

1. School programs, school sponsored activities, and school related activities shall have priority for the use of school facilities without charge.
2. Organizations making application for use of school facilities must be domiciled within Coweta County.
3. Use of school facilities by a non-school related organization or individual will be on a temporary basis. Under normal circumstances "temporary" will be considered a maximum of 90 days. Extensions beyond the 90 day period may be granted by the Director of Operations based upon his review and approval of the extension request. Permanent scheduled use by non-school organizations is prohibited.
4. An employee of the Coweta County School System must be present to unlock the building and supervise the use of the building facilities. Group activities on the grounds will be permitted upon request with the approval of the principal, provided supervisory personnel for the particular group shall assume complete responsibility for the liability for personal injury and/or damage to the buildings and or premises.
5. Non-school related organizations using school facilities will be required to pay fees for the facility rental, the cost of utilities and custodial services. Such fees will be computed at prevailing rates and prorated for the period of time the facility is used.
6. School equipment shall be operated by an employee of the Coweta County School System as authorized by the principal.
7. The sponsoring agency of any activity shall be responsible for securing adequate police protection if this service is required by the activity planned.
8. All activities shall be in compliance with local, state, and federal laws and shall be in keeping with the school board policies. Authorization for use of school facilities shall not be considered an endorsement of or approval of the activity, group, or organization nor the purpose they represent.
9. All applicants must recognize and consider the risk they are assuming under the save harmless agreement and covenant not to sue which they must accept and agree to the terms thereof prior to any approval for use of school grounds and/or facilities.
10. A written request for permission to use a facility shall be filed by an officer of the sponsoring organization/group with the local school principal. Such request must be made on the school system's Application for Use of School Facility. The school principal will determine if the applicant fulfills the requirements of this procedure. The application, with the principal's recommendation, will be forwarded to the Director of Operations for review and approval.
11. Groups or agencies not covered by this procedure may request permission for use of a school facility on a short-term emergency basis. Such request must be made on the school system's Application for Use of School Facility and submitted directly to the Superintendent of Schools.
12. Any applicant wishing to appeal the decision of a Principal or the Director of Operations may appeal directly to the Coweta County Superintendent of Schools.
13. The Superintendent reserves the right to cancel any permission granted.
14. Groups receiving approval for use of a school facility are restricted to the dates, times and facility area specified in the application.
15. Groups receiving permission are responsible for the observance of county and state fire and safety regulations at all times.

16. The use of tobacco products, alcoholic beverages, profane language, or gambling in any form is not permitted on school campuses or in school buildings.
17. In situations where there is no cost factor to the system, or in situations where a mutual exchange of facilities is possible between the school system and the organization, rates may be modified or eliminated by the Superintendent. In situations where extended usage for a long period of time is approved, the rental rate may be set at a contract price.
18. Requests for use of the Centre for Performing and Visual Arts of Coweta County shall be filed directly to the office at the Centre. Such requests must be made on the Application for Use of Facility form designed specifically for the Centre.
19. The person and/or organization allowed to use the facility covenants and agrees that the Coweta County School System, its officials, officers, employees, agents, members, representatives, volunteers or their respective insurers (collectively referred to hereafter as the "School System") shall not be liable for any loss, damage, injury or liability of any kind to any person or property caused by, arising from, or in any way related to, any use of property owned by the School System, the or any part thereof, or by defect in any building structure or improvement thereon, or in any equipment to be used therein, or because of the same being out of repair or arising from any act or omission of the undersigned or its employees, agents, affiliates, representatives, invitees, licensees or other persons entering upon or using said.

Notwithstanding anything to the contrary herein contained or irrespective of any insurance carried by the person and/or organization allowed to use the facility for the benefits of the above enumerated entities, the person and/or organization allowed to use the facility agrees to protect, indemnify, covenant not to sue and hold the School System harmless from and against any and all costs, expenses (including, without limitation, attorneys fees), damages, losses, actions, causes of actions, fees or liabilities of any nature arising out of or in any way related to the School System or the use or occupancy of the School System property or arising from any state or condition of said premises or any part thereof.

THE FOLLOWING APPLY TO PERSONS OR ENTITIES USING THE FACILITY FOR RECREATION, PHYSICAL OR PERFORMING ARTS ACTIVITIES

20. The person and/or entity allowed to use the facility shall maintain in force and effect occurrence based liability insurance with limits of at least \$1,000,000.00 per occurrence to cover its use of the School System property. Coweta County School System shall be named as additional insured on said policy and the undersigned shall provide the School System with a certificate of insurance evidencing proof of said coverage. Said insurance shall be primary to any insurance maintained by the School System.
21. Notwithstanding any term or condition herein, the School System shall have the right to revoke this agreement at any time in its sole discretion.
22. This agreement shall be interpreted, controlled and governed by Georgia law, including, without limitation, O.C.G.A. § 51-1-53.
