

Madras Middle School 2010-2011 Sign-Up Sheet **STRINGS**

Dear Rising 6th Grade Student and Parent/Guardian:

Madras Middle School offers a year-long strings course. Instruments included are the guitar, violin, viola, and cello. Space is VERY limited for each of the two class periods offered for each grade level. Therefore, enrollment shall be based upon a lottery drawing during the last week of school. There are only 20 slots available for each class. After 40 students have been successfully enrolled per grade level, additional students wishing to take this course will be placed on a waiting list. Please complete, sign and return this form to your current music/chorus teacher no later than May 21st. Also, please review the expectations below, as they apply and are enforced, through our organization. This program is a unique opportunity for learning a stringed instrument while enjoying a large group performance setting.

Coweta County Middle School Strings Expectations

- All members must provide their own instrument and method book.
- Members are expected to attend all after-school rehearsals and concerts. Dates for these will be given well in advance to avoid conflict. If a member cannot attend the concert, a video/audio recording must be presented in lieu of the concert for a grade.
- All members are encouraged to purchase a Madras Strings polo shirt to wear at all performances and fine arts functions.
- Madras Strings is a year-long course; Course changes must be approved by the director.
- Strings students are expected to show mature and appropriate behavior.
- Members are encouraged to participate in all fundraising endeavors.
